The school office must be informed by the day before or, in case of emergency, before 11.30 a.m. of the day they refer to. Authorizations given during the past school years are no longer valid. If parents want to allow their children to exit school without being collected by an adult, they have to collect the relative authorization form from the school office, fill it in, and return it to the school office signed by both parents. If the exit is also anticipated, it is necessary to sign a specific exit form in advance indicating the dates in which it applies.
